Damien,

Herewith my comments on the new productions.

## **HEART – PETULA CLARK**

This is great. I really like it. The original wasn't a chart hit, however, although the French version may have been a hit in France. Only Petula fans would know it. Did you ever try anything with **I KNOW A PLACE** which was also a big hit everywhere immediately after **DOWNTOWN?**

## **SUGAR AND SPICE – THE SEARCHERS**

This is also great although I wasn't sure at first. It kinda grows on you. It's not as 'instant' as **SWEETS** which seems to benefit by having a slower tempo. I think, however, it would be a good follow-up to **SWEETS** before you try anything else.

## **WE GOTTA GET OUTTA DIS PLACE- THE ANIMALS**

I think this is terrific. The tempo and feel of the original help a lot.

## **DON'T LET ME BE MISUNDERSTOOD – THE ANIMALS**

Pretty good but, for me, doesn't work as well as the first title.

## **FRIDAY ON MY MIND - EASYBEATS**

Sorry, but to me this is just a mess. Maybe it's my age but you want me to be honest and that's what I feel. I can't get my head around it at all.

Hope these comments are of use to you all.

Regards,
